The company

FREUDENBERG EVOLON SARL

20, rue Ampère

68027 Colmar Cédex

France

is granted authorization according to Oeko-Tex Standard 100 to use the
Oeko-Tex mark, based on our test report 08.0.62912

for the following articles:

Bicomponent-microfilament laid wovens from polyamide and polyester, with and without embossing calender, product group „Evolon“.

The results of the inspection made according to Oeko-Tex Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 30.11.2009
